# PARK BEAUTIFICATION PROJECTS

- **Adopt-A-Spot Program:**

- By **adopting a spot**, the individual/organization commits to keeping a designated area **clean and litter-free**. This is a **great opportunity** for groups or individuals to make a **visible difference** in their community, promote **environmental stewardship**, and **inspire others** to take action.

- **Spots to Adopt:**

- Parks
- Cemetery Sections
- Bypasses
- Parking Lots
- Walking Trails
- Medians and More!

# ADOPT-A-SPOT SIGNAGE

1-3  
YEARS

3-5  
YEARS

5+  
YEARS

# PARK BEAUTIFICATION PROJECTS

April 6th, 2024 from 9:00am -12:00pm

2139-2159 S Walker Ave,  
Alamogordo, NM 88310

# ZERO-WASTE WORKSHOPS

## OUR

## PURPOSE

These series of workshops allow individuals to release their creativity while being involved in eco-friendly activities. These workshops strive to provide the community with knowledge and inspiration on the importance of reducing waste and recycling materials within their own homes. By reducing and reusing items we can reduce pollution, greenhouse gasses, and create a sustainable environment for future generations. These workshops are a way for our community to make difference, and keep our communities clean, green, and beautiful.

# ZERO-WASTE WORKSHOPS

- **Eco-Plant Workshop**

- Purpose: Reuse home items to create plant pots, while reducing waste.

- **T-Shirt Tote Workshop**

- Purpose: Reduce the use of plastic bags by reusing old t-shirt and creating reusable totes.

# ZERO-WASTE WORKSHOPS

- **Eco-Paint Workshop**

- Purpose: Reduce waste and use of harmful chemicals in paint by creating our own earth paints from mineral pigments and organic ingredients.

- **DIY Natural Deodorant**

- Purpose: Reduce waste by utilizing home ingredients to create deodorant with sustainable, biodegradable and eco-friendly ingredients. Packaging is also eco-friendly, made from recycled materials.
